

Fargo® spring Trade-In

Fargo Printer Trade-In Promotion

Trade in your customer's old Fargo® or competitive printer and replace it with a qualifying new Fargo Card Printer and **SAVE!**

Qualifying New Printers and Credits after Trade-in:

Take back your customer's old card printer. Sell a new Fargo printer and receive the credit listed below.

Trade-In Value Chart						
New Printer Sold	HDP5000		DTC550		DTC400e	
	Competitors	Fargo	Competitors	Fargo	Competitors	Fargo
Single Side	\$400	\$300	\$200	\$150	\$200	\$150
Dual Side	\$500	\$350	\$300	\$250	\$300	\$250
LC	\$600	\$400	\$550	\$500	N/A	N/A

Program Details:

Qualifying Trade-in Printers: All discontinued Fargo card printers as well as any *dye-sublimation or reverse image card printer* from other manufacturers. Final determination of qualifying printers is at the sole discretion of HID.

Partner must complete credit/RMA request form and submit with new printer purchase order. This form acts as your RMA request to return the existing printer. Credit will be applied once the new printer has shipped and the old printer is returned to HID Eden Prairie, with proper RMA identification and if needed, end-user validation. Partners outside the U.S. will ship printers to the regional HID offices.

- Promotion announcement valid from April 13, 2009 through June 30, 2009. Traded-in units must be returned to HID Eden Prairie or regional office no later than July 10, 2009 to receive credit.
- Trade-In credit will be issued to your account once the traded-out printer has been received and the new printer has shipped.
- Special quotes or bids are not eligible for Trade-In Credit.
- Large projects or trade-in requests greater than ten units will require approval from a Regional Sales Manager.
